

Solar Working Group Meeting

Purpose: On May 14, 2015 The Commission ordered Staff to reconvene the Solar Working Group with a focus on valuing capacity for the value of solar component of the credit to be applied to Consumers Energy's Community Solar Program participant's bills. The kick-off meeting will take place June 9, 2015 and we are inviting you all to attend. (Please see the agenda below). This will be the first of potentially 3 meetings before a final Staff drafted report will be filed September 30, 2015 in Docket No. U-17752 making recommendations.
